In any case, we will not be liable if for any reason all or any part of the Service is unavailable at any time or for any period, nor for any data loss (see also section "Disclaimer of Warranties, Limitations of Liability and Indemnification" below).

You must treat such information as confidential, not disclosing it to any third party and only use the Service in person. We do not have access to your Twitter password. In case you forget your password, please use Twitter's password reset procedure. We highly recommend to choose a strong password and that you log out from your Socioviz account at the end of every session.

In the future, you may be asked to provide certain registration details or other information. As custom for Internet services, we reserve the right to disable any user account, at any time in our sole discretion for any or no reason, including, if in our opinion you have failed to comply with any provision of these Terms and Conditions.

We use "Sign in with Twitter" for all logged-in users, but we cannot guarantee that all use will be secure. We also do not guarantee that the Service or any content provided on the Website or the Mobile Application is error free. We manage your personal data according to our Privacy Policy.
